

**BUSINESS AND NONINSTRUCTIONAL OPERATIONS****School Breakfast and Lunch Programs:**  
**Student/Parent/Community Involvement****A. Objectives**

The Stafford County School Board established the following objectives for the school breakfast and lunch programs:

1. To provide wholesome, appetizing meals at a reasonable cost;
2. To promote good personal hygiene, well-established nutritional habits and social amenities;
3. To encourage participation through activities in the total school program in cooperation with students, patrons, and staff.

**B. Implementation**

To implement these objectives, the superintendent shall develop administrative procedures designed to accomplish the following:

1. To establish student, patron and staff committees for the individual schools whose purposes shall be to offer constructive suggestions for achieving the Board's objectives;
2. To provide a means of sharing these advisories with other schools in the division;
3. To make periodic reports to the Board with recommendations for action designed to achieve the Board's objectives.
